Communication Report: The committee met today July 23 at 1:00 p.m. A public relations contact and protocol is being drafted. The committee will continue the work begun by Mr. Willis in updating current students, alumni, and booster parent/grandparent info into a single database. The website has been published and will be maintained by the president and secretary. The known calendar dates for the year should be uploaded by the end of this week. Boosters and students should check regularly for calendar updates, volunteer opportunities and signups, current and archived minutes as well as pictures and fundraising totals. Facebook will be used for reminders and daily change notifications as well as Remind texts for now. A community calendar ad for the Moon Pie sale has been submitted to the Dunlap Tribune. Please make the website a bookmark and your first stop for info.
Treasurer Report Approval:
Transferred 10,000 to savings
Current Checking: Beginning 4,996.53 to 2186.38
Current Savings: 25, 524.69
(July statement has not posted and we will bring to the membership at the August meeting) There was an error on the passed budget. The candy bar sale should read 10,000; it read 1,000 . With the "padding" on the budget, it ends with a negative of 5,400 . We had the June bank statement. The July statement has not posted yet. Amazon also charged the booster debit not mine. Lisa caught it, and called while I was already on the phone with Amazon fixing the error. Motion:Logan Haynes
Second:Brittany Crawley
Carried: Yes

## Band Director's Report:

Moon Pie reps presented to kids. The kids seem excited. Help your kids out. Sell! It runs the same as the candy sale--check out a carrier/case $\$ 36$. If everyone sells three carriers that would cover the pallets and net us $\$ 10,000$. We cleaned up and finished the opener. The second piece is on the field. We are ahead of schedule! Show up early for pick up to see their parade. There will not be a Thursday night rehearsal for DCI this year. They already rehearsed in the area and we missed it. Friday parent show is at 11:30 then we will break and meet at 3 pm to go to DCI. We do have a full day Monday and Tuesday (July 29 and 30) to refresh. There is a difference between marching band and pep band. Students may audition for pep band. Marching band members do not have to attend events like SCMS games. That is pep band, but marching band are automatically "pep band" if they want to play at such events.

## Student Leadership Report:

The leadership team is helping lead camp drills and sectional rehearsals and are an integral part of our band being ahead of schedule.

## Old Business

Orlando Trip November 22-25
I reached out for bus and hotel contracts today. The hotel confirmation for $\$ 104$ standard room;there are family suites for $\$ 154$. Looking for same floor suites and standards. Put a request for a hold. As soon as contract confirmed we will put out information. Tickets to park are $\$ 134$ or $\$ 114$. The park is putting emphasis on hopper but we want kids in one park. All out of state bands have to get the two day hopper. We are trying to negotiate. Parents can get those ticket prices. We just need a count. We can also get a fast pass added to it for $\$ 68$. The hotel is one of the newer one that is only 3 or 4 minutes away. Premier came down on their price to
$\$ 5800$. Parents can sign out child from bus home. Parent suggested feeding the kids samiches. Snack packs for Universal: moon pies, fruit, granola, water bottle
Box Truck
Mr. Willis and I met with director Swafford about the box truck, who suggested approaching the school board about buying the box truck. We will go to the working session to request (July 30th at 6 pm )

We do have hats 15 , bag 5 , show shirts 15 for sale.
